### **[New Regent Studios Gains Silver Awards](#)**

Christchurch Professional Photographer Todd Flygenring has received two Silver Merit Awards in the recent Kodak Gold Awards. Todd has been a professional photographer for well over 10 years and is always striving to capture lasting images that are unique and express the feelings of the subject photographed.

Todd founded New Regent Studios located on the corner of Gloucester and New Regent Streets in November 2004 and has since developed one of Christchurch's successful Wedding and Portrait Photography studios. Todd's motto is 'Every Moment, Every Emotion, and Captured Forever'.

This image was captured during a Wedding at Terrace Downs on 11/04/2009 whilst the Bride and Groom were walking along a hill top and another image have been overlaid to create the final effect.

*"I can't thank you enough, the photos are amazing. They really showcase a fantastic scenery and show what a fun day it was. I can't stop looking at them, they are fantastic and I am not a photogenic person! I have so many people compliment us on the photos, and that is down to you and Troy making us feel so relaxed and having that creative vision. Thank you being so detail orientated, fixing my veil and ensuring we all looked presentable! I am so impressed and determined to purchase the magazine album in the next few months as well, so expect an order!"*

--Jenaya & Patrick Molloy - 30/04/2009

*"To be honest, I'm really not sure what word to use... Jenaya and Patrick Molloy's wedding photos are out of this world. They are the best wedding photos that I have seen out of the 25 weddings I have planned over the last 12 months. Congratulations."*

--Vanessa Johnston (Terrace Downs Resort - Conference and Wedding Manager) - 26/04/2009

This image was captured during a photo shoot on 14/03/2009 for an Auckland Promotion Model – Isabella Pearson. The shoot was to show how well the client could present herself as a number of genres. Prior to the Rock Chick shoot Isabella was a 'Cowgirl' and this image is displayed below.

**About the awards:**

**(From John Lawrence - Kodak Gold Awards Programme Manager).**

The very high standard offered by New Zealand Wedding and Portrait Photographers enabled Kodak to introduce their Kodak Gold Awards programme to New Zealand in 1997.

The Kodak Gold Awards, an international programme's, introduced in both Europe and the USA, recognizes the highest level of creativity and quality in Professional Photography.

These awards reward excellence in imaging and are therefore a great help in assisting customers to select a suitably qualified Professional Photographer who can offer them that creative difference when capturing their special moment forever.

This year the judges were kept busy with a large increase in the number of entrants and the huge number of prints and albums submitted. A positive indication of how well this program's introduction has been seen by both Professional Photographers and their customers.

All Wedding and Portrait entries are required to be printed on Kodak paper ensuring high quality Professional prints with image stability that last a lifetime.

**All images are available for publicity use free of charge however we do request that "New Regent Studios Ltd - Todd Flygenring" be acknowledged as the photographer. Higher resolution images can be requested by email to [info@photos.co.nz](mailto:info@photos.co.nz)**
